✓ Donggang City, China

Donggang River, located by the northern shore of the Yellow Sea east of the Liadong Peninsula, is known as the northernmost harbor city of China. Three economic rims of Bohai bay and Pan-Yellow Sea intersect, and it is a transportation hub of five regions including Korea, China, Japan, Russia and North Korea.

GO TO THE HOME PAGE

It is an important region that connects Europe and Asia and a gateway of maritime and land in Northeast Asia.
